Additional Information:

Some remitting banks are demanding to know the full address of the receiving bank and the full address of the account holder, Hendra Djaya.

While this information is irrelevant, because funds will be remitted electronically bank to bank, not physically hand-delivered by courier, we acknowledge that some banks will not accept a remittance request without this information:

Bank Internasional Indonesia,
Permata Hijau Branch,
Jl. Perak Blok B No. 17,
Permata Hijau,
Jakarta 12210,
Indonesia

Hendra Djaya,
PT. Bintang Inti Persada,
Gedung Promotor Lt. 3B,
Jl. Teuku Nyak Arif No. 14, Simprug,
Jakarta 12210,
Indonesia.

Note that Indonesian banks do NOT have an IBAN number (this is only in Europe).

If you'd like to save on the US\$50 Indonesian Bank Fee, you can arrange a single remittance on behalf of multiple competitors. In such cases, just fax us a covering letter clearly indicating the total remittance, along with details of what that remittance covers.
